

Medication Assisted Treatment (MAT) Program Evaluation

Presented by: Toni Coe, PharmD, PhD Evaluation Lead

Purpose:

- Increase access to medication assisted treatment (MAT)
- Improve care for patients with opioid use disorder
- Build the capacity and capability for delivering MAT statewide

2020 Financial Support Opportunities: Practice Transformation

Practice Transformation Incentive 2020

For offices delivering MAT as a new service after 9/20/2019, if MAT for OUD has been delivered in the office before, then the practice is not eligible for receive these payments.

- Practice incentive (up to \$20,000 per PCMH practice)
 - \$10,000 for 1st patient treated at a PCMH practice
 - \$10,000 for 10th patient treated at PCMH practice
- PO incentive (up to \$5,000 per PCMH practice)
 - \$2,500 per practice incentive earned by affiliated PCMH practices

2020 Financial Support Opportunities: Practice Transformation

NEW FOR 2021: Practice Transformation <u>**3rd tier</u>** on Incentive</u>

For offices delivering MAT as a new service after 9/20/2019, if MAT for OUD has been delivered in the office before, then the practice is not eligible for receive these payments.

- Practice incentive 2021 (up to \$30,000, increased from \$20,000)
 - \$10,000 for 1st patient treated at a PCMH practice
 - \$10,000 for 10th patient treated at PCMH practice
 - *\$10,000 for 30th patient treated at PCMH practice (2021)*
- PO incentive (up to \$7,500 per PCMH practice)
 - \$2,500 per practice incentive earned by affiliated PCMH practices

2020 Financial Support Opportunities: Value Based Reimbursement (VBR)

5% Value-Based Reimbursement

- Primary Care Spring 2020
- Specialty Fall 2020
 - Intended to be support funding for sustaining long-term delivery of MAT
 - Eligible providers include PCMH designated PCPs, and specialists
 - This is open to all providers whether previously providing MAT or not

Fall 2020 Number of MAT practices by County

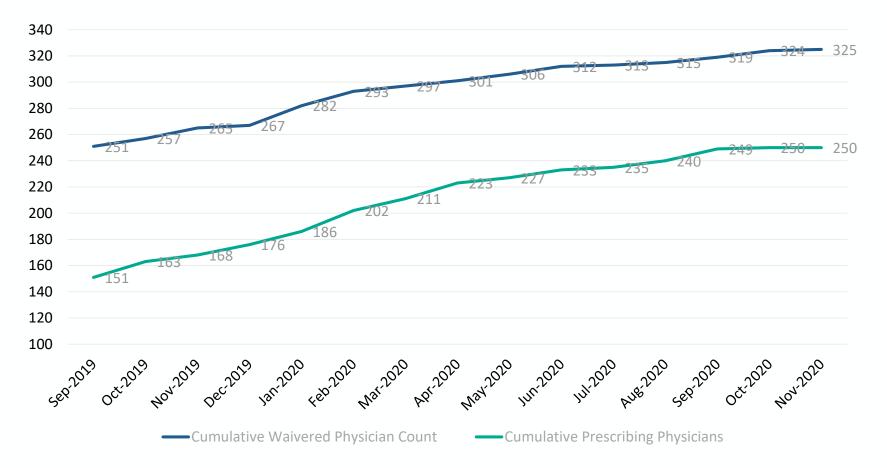

MICMT

-Self Reported by PO.

- -Survey Close dates: 4/30/2020 & 11/2/2020
- -Includes all practices from 11/2 survey and practices from 4/30 survey that did not participate in 11/2 survey but are still active PGIP practices.

FALL 2020 Number of Waivered Physicians

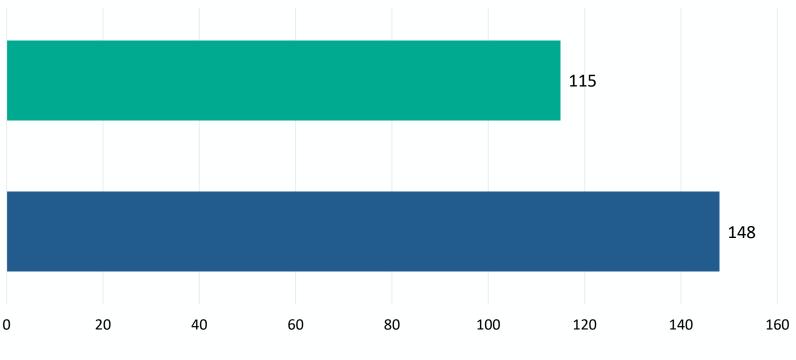

-Self Reported by PO.

-Survey Close dates: 4/30/2020 & 11/2/2020

-Includes all physicians from 11/2 survey and practices from 4/30 survey that did not participate in 11/2 survey but are still active PGIP physicians.

FALL 2020 Service Area Changes by Zip Code

- # of Zip Codes Serviced Before 9/2019 115 / 978 (12%)
- # of Zip Codes Serviced After 9/2019 148 / 978 (15%)

MIGMT

-Self Reported by PO.

-Survey Close dates: 4/30/2020 & 11/2/2020

-Includes all practices from 11/2 survey and practices from 4/30 survey that did not participate in 11/2 survey but are still active PGIP practices.
