

Agenda

Mobilizing Primary Care to Address the Opioid Use Disorder Treatment Gap

December 7, 2022 12 noon – 1pm

Presenters: Fiona Linn, Yolanda Preston

This webinar is intended to help the primary care physicians, behavioral health care managers, and other primary care practice team members gain knowledge about evidence-based use of medications to treat Opioid Use Disorder (OUD) and how to utilize the care navigator model to begin their own program for treating patients with the medications for OUD. After completing this webinar, participants will be able to leverage their care navigation teams to expand their treatment of opioid use disorder in the primary care setting.

Target Audience: Physicians, Social Workers, Nurses, Administrators. Primary care physicians and members of the primary care practice team

Planner: Chris Frank

Co-Planners: Lindsay West, Marie Beisel

Continuing Education: The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
