

Third Annual Team-Based Care Conference: May 3 and 4, 2023

CARE TEAMWORK MAKES THE DREAM WORK

This year's team-based care conference features a variety of speakers from community-based organizations and Michigan ambulatory care practices. The presenters will highlight best practices in team-based care and work which supports the improved outcomes for various populations.

Virtual Platform

Conference will be virtual; please register ahead of time to access Zoom links.

Target Audience

All PO affiliated care team members and PO representatives welcome!

Registration

Registration is free. Registration deadline is April 26th at 5 pm.

PLEASE REGISTER AT [MICMT-CARES.ORG/TBCCONFERENCE](https://micmt-cares.org/tbccconference)

Please register for each individual session you are interested in attending.
All sessions will earn 1.0 PDCM BCBSM Longitudinal Learning Credits

At conclusion of the conference, learners should be better able to:

- Identify local operational improvement opportunities for your interprofessional team.
- Describe best practices or unique ways that interprofessional teams identify targeted populations who will most benefit from care management.
- Describe best practices or unique ways that interprofessional teams are implementing interventions that support highly effective team-based care aimed at addressing patient's broader health care needs.

Continuing Education Details

In support of improving patient care, this activity has been planned and implemented by Beaumont Health and the Michigan Institute for Care Management & Transformation. Beaumont Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Beaumont Health designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists: Beaumont Health designates this activity for 6.0 ACPE contact hours. ACPE Universal Activity Number (UAN): Care Management Past and Future (JA4008259-9999-23-070-L04-P); A Care Team's Perspective: A Day in the Life (JA4008259-9999-23-071-L04-P); Medication Cost Barriers and Solutions (JA4008259-9999-23-072-L04-P); Moving Forward with Intention - Trauma, Resiliency and Post-traumatic Growth (JA4008259-9999-23-073-L04-P); Caring for the LGBTQ+ Community (JA4008259-9999-23-074-L99-P); Understanding the Role of Communication Disparities in Late Old Age: Strategies for Connecting with the Hardly Reached (JA4008259-9999-23-075-L99-P). Pharmacists should claim only the credit commensurate with the extent of their participation in the activity. Credit will be provided to NABP CPE Monitor within 30 days after the activity completion.

Nurses: Beaumont Health designates this activity for a maximum of 6.0 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Social Work CE: As a Jointly Accredited Organization, Beaumont Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 6.0 continuing education credit(s). Social Workers should claim only the credit commensurate with the extent of their participation in the activity.

Dietetic CE:

Completion of this RD/DTR profession-specific or IPCE activity awards CPEUs (One IPCE credit = One CPEU).
If the activity is dietetics-related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (One 60 minute hour = 1 CPEU).
RD's and DTRs are to select activity type 102 in their Activity Log. Sphere and Competency selection is at the learner's discretion.
