

## 4th Annual Team-Based Care Conference: May 1 and 2, 2024

# CARE TEAMWORK MAKES THE DREAM WORK

This year's conference will host presenters to discuss predictive modeling and Provider Delivered Care Management (PDCM), population-specific resources, as well as employee and patient experience.

### Virtual Platform

Conference will be virtual; please register ahead of time to access Zoom links.

### Target Audience

All PO affiliated care team members and PO representatives welcome!

### Registration

Registration is free and can be accessed on the [MICMT website](https://www.micmt.org).

## PLEASE REGISTER AT [MICMT-CARES.ORG/TBCCONFERENCE](https://www.micmt.org/tbccconference)

Please register for each individual session you are interested in attending.  
All sessions will earn 1.0 PDCM BCBSM Longitudinal Learning Credits

### Agenda Details

See second page for session titles and presenter information.

3

### Continuing Education Details

See third page for discipline information.

**May 1, 2024**

**12:00-12:10 pm Welcome**

Julie Wietzke, MHSA, MLS, Administrative Director, MICMT

**12:10-1:10 pm Predictive Analytics: A Clinical Tool for Care Team Members**

Heather Stamat, DO, MBA, Medical Director, Clinical Partnerships, Blue Cross Blue Shield of Michigan

**1:10-1:20 pm Break**

**1:20-2:20 pm Serious Illness & Chronic Kidney Disease Predictive Model Pilots: The Physician Organization Experience**

Michelle Klanke, DO, Regional Administrative Medical Director Quality

Trinity Health Alliance of Michigan and Trinity Health Medical Group West Michigan

Erin Lefevre, BSN, RN, Clinical Manager, Ambulatory Care Management, Trinity Health Alliance

Gina Schutter, BS, Manager Quality & Care Management, Holland PHO

Heidi Steinhebel, BSN, RN, Senior Associate Director of Care Management, Trinity Health IHA

**2:20-2:30 pm Break**

**2:30-3:30 pm Collaborative Quality Initiative (CQI) Partners: Resources for the Front-Line Care Team Member**

Noa Kim, MS, Clinical Informatics Design Lead, Healthy Behavior Optimization for Michigan (HBOM)

Larrea Young, MDes, Design Project Manager, Michigan Collaborative for Type 2 Diabetes (MCT2D)

Jacqueline Rau, MHSA, Program Manager, Michigan Collaborative for Type 2 Diabetes (MCT2D)

Carol Gray, MPH, Manager, Michigan Social Health Interventions to Eliminate Disparities (MSHIELD)

April Proudlock, RN, Program Manager, Inspiring Health Advances in Lung Care (INHALE) CQI

**May 2, 2024**

**12:00-1:00 pm Developing Grit: Strategies for Success in Work and Life**

Ronald J. Devries, PhD, Licensed Psychologist, Pine Rest

**1:00-1:10 pm Break**

**1:10-2:10 pm Reconnecting to Purpose: Providing the Best Care, One Person at a Time**

Molly White, MPH, Managing Director, Caswell Diabetes Institute, Director, The Brehm Center, Michigan Medicine

**2:10-2:20 pm Break**

**2:20-3:20 pm Setting the Stage for Quality, Holistic Care of Older Adults in Ambulatory Care**

Linda J. Keilman, DNP, MSN, GNP-BC, DEGN, FNAP, FAANP, Associate Professor, Gerontological Nurse Practitioner, Michigan State University College of Nursing

**3:20-3:30 pm Closing**

Julie Wietzke, MHSA, MLS, Administrative Director, MICMT

## Planning Committee:

- **Course Director:** Julie Wietzke, MHSA, MLS, Administrative Director, MICMT
- **Primary Coordinator:** Marie Beisel, MSN, Program Manager, MICMT
- **Course Planners:** Marie Beisel, MSN, Program Manager, MICMT; Lindsay West, MSW, Project Manager, MICMT; Ashley Schwartz, MSW, Project Manager, MICMT
- **Session Moderators:**
  - Julie Wietzke, MHSA, MLS, Administrative Director, MICMT (Session: Predictive Analytics: A Clinical Tool for Care Team Members)
  - Ashley Schwartz, MSW, Project Manager, MICMT (Sessions: Serious Illness & Chronic Kidney Disease Predictive Model Pilots: The Physician Organization Experience; Collaborative Quality Initiative (CQI) Partners: Resources for the Front-Line Care Team Member)
  - Lindsay West, MSW, Project Manager, MICMT (Sessions: Developing Grit: Strategies for Success in Work and Life; Reconnecting to Purpose: Providing the Best Care, One Person at a Time; Setting the Stage for Quality, Holistic Care of Older Adults in Ambulatory Care)

## At conclusion of the conference, learners should be better able to:

- Describe ways to identify patients in ambulatory care who will benefit most from team based care and additional supportive resources.
- Identify best practices and resources to be used by interprofessional teams to care for specific patient populations in the ambulatory care setting.
- Identify the relationship between patient & employee experience and describe ways to positively impact both.

## Continuing Education Details

In support of improving patient care, this activity has been planned and implemented by Beaumont Health and the Michigan Institute for Care Management & Transformation. Beaumont Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Physicians:** Beaumont Health designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Pharmacists:** Beaumont Health designates this activity for 6.0 ACPE contact hours. ACPE Universal Activity Number (UAN): Predictive Analytics 74970: JA4008259-9999-24-092-L99-P; Serious Illness 74971: JA4008259-9999-24-093-L99-P; Collaborative Quality Initiative 74972: JA4008259-9999-24-094-L99-P; Developing Grit 74973: JA4008259-9999-24-095-L99-P; Reconnecting to Purpose 74974: JA4008259-9999-24-096-L99-P; Setting the Stage 74975: JA4008259-9999-24-097-L99-P. Pharmacists should claim only the credit commensurate with the extent of their participation in the activity. Credit will be provided to NABP CPE Monitor within 30 days after the activity completion.

**Nurses:** Beaumont Health designates this activity for a maximum of 6.0 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

**Social Work CE:** As a Jointly Accredited Organization, Beaumont Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 6.0 continuing education credit(s). Social Workers should claim only the credit commensurate with the extent of their participation in the activity continuing education credit(s). Social Workers should claim only the credit commensurate with the extent of their participation in the activity.

## Dietetic CE:

 <p><b>Commission on Dietetic Registration</b> the credentialing agency for the Academy of Nutrition and Dietetics</p>	<p>Completion of this RD/DTR profession-specific or IPCE activity awards CPEUs (One IPCE credit = One CPEU). If the activity is dietetics-related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (One 60 minute hour = 1 CPEU). RD's and DTRs are to select activity type 102 in their Activity Log. Sphere and Competency selection is at the learner's discretion.</p>
