

## Strengths, Weaknesses, Opportunities, and Barriers (SWOB) Template

**Note:** The Intake/Risk Assessment/Screening/Patient Conversation/Provider Conversation steps have already taken place

<b>Strengths</b> Such as support systems, Resilience	<b>Weaknesses</b> Such as pt. likes hot dogs and finds cooking to be hard
<b>Opportunities</b> What does the patient want?	<b>Barriers</b> SDOH, Social, PHQ-9

Clinical foundation → provider discussion, med rec, clinical history, problem list, utilization history
